Subject: Las Conchas Wildfires Data Review 11-07024 and 11-07025

Mike,

Here are the final two sets for your review. These two data sets correspond to one chain of custody. Due to the number of samples, the lab split the group into two data sets. A copy of the chain of custody for this data will be provided tomorrow. If you have any questions, please let me know.

Thanks,
Kristie
